

# SEBANE

SOLAR ENERGY BUSINESS ASSOCIATION OF NEW ENGLAND

## About SEBANE

 Advocacy

 Education

 Community & Networking

SEBANE promotes and protects New England's solar industry through policy advocacy, coalition building, and education. We advance clean energy policies, represent the industry before state regulators, and connect professionals through events and networking.

## Benefits at a Glance

- **Advocacy** on key solar energy policies
- **Industry** insights and legislative updates
- **Access** to training & educational programs
- **Networking** opportunities with industry leaders
- **Support** member Marketing & Spotlights
